UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

ANTHONY M. THURLOW,

Plaintiff(s),

v.

KEVIN L. EHLERS, et al.,

Defendant(s).

2:13-CV-365 JCM (NJK)

ORDER

Presently before the court is the matter of *Thurlow v. Ehlers*, case number 2:13-cv-00365-JCM-NJK.

Magistrate Judge Koppe conducted a hearing regarding the proposed discovery plan and scheduling order. (See doc. # 14). At the hearing, the parties requested a settlement conference and specifically requested that Magistrate Judge Ferenbach conduct the settlement conference. Since this case is at the pre-discovery stage, Magistrate Judge Koppe cannot conduct the settlement conference unless she becomes conflicted out in the event the case does not settle.

The court finds good cause to order a settlement conference. Magistrate Judge Ferenbach is ordered to conduct a settlement conference in this case.

IT IS SO ORDERED.

DATED June 13, 2013.

UNITED STATES DISTRICT JUDGE
